.CK DOMAIN NAME REGISTRATION / MODIFICATION APPLICATION

Domain name registration Information form (with suffixes .biz.ck .co.ck, .org.ck, .gen.ck, .info.ck, edu.ck, net.ck)

What Do I Have To Do?
Complete the details below for domain name registration and return along with page one of this form by mail to: Oyster, Telecom Cook Islands Ltd, PO Box 106, by facsimile 21123 or email info@oyster.net.ck. Leaving out information can delay your request. Allow up to 7 working days for the Domain name to be confirmed.

a)   Domain name registration suffixes - .ck

Community of Interest

As is required by the Registrar, please tick one of the following to indicate which category your Domain name should be registered under in order to process your delegation.

☐   **Business ".biz"**
   This is for Businesses and can be an alternative to .co. Companies must register in their corporate name or trading name   or some form of abbreviation. Must also provide a legal documents proof of organisation.

☐   **Company ".co"**
   This is for Companies or Commercial Business organisations. Companies <u>must</u> register in their corporate name or trading name, or some form of abbreviation. Must also provide legal documents as proof of organization. This name therefore takes the form of *companyname.co.ck.(**e.g.acme.co.ck)***

☐   **Educational Instituitions ".edu"**
   This is for Educational Institutions and related organizations. Interested parties must register in their corporate name or trading name or some form of abbreviation. Must also provide legal documents as proof of organisation.

☐   **General/Generic ".gen"**
   This is for general purposes. Interested parties must register in their corporate/trading/given names or some form of abbreviation.

☐   **Information Service Providers ".info"**
    This is for Information Service Provides. Interested parties must register in their corporate name or trading name or some form of abbreviation. Must also provide legal documents as proof of organisation.

☐   **Network ".net"**
   This is for Internet Service Providers. Interested parties must register in their corporate name or trading name or some form of abbreviation. Must also provide legal documents as proof of organisation.

☐   **Non-Profit Organisations ".org"**
   This is for Non-Profit Organisations. Must register in their name, trademarked name or some form of abbreviation. Must also provide legal documents as proof of organisation.

Please complete the registration details on the attached form. Details must be correct to ensure your domain application is processed promptly.
